Rules

- 1 There are two points to be won each hole
Net scores are used each hole. If the hole is halved, each player gets one point
If a hole is won, one player gets 2 points, and the other player receives 0 points
- 2 There are two points to be won for the low net score on the nine. Same rules apply.
- 3 The matches being played have **nothing** to do with each other.
Players points are simply added together for the team competition

Note: Player 1 plays Player 1, and Player 2 plays Player 2
