

2014 Mundie Putter

About Mundie Putter

Mundie Putter is a weekly event that matches golf courses against each other. Each match usually takes place on a Monday, barring any scheduling conflicts. The format is for each club to have 8 players (4 teams of 2). These teams of two will play against other teams of two in a best ball match play format. The team captain will make up each team every week. A maximum of 3 points can be won per match:

Front 9 = 1 point

Back 9 = 1 point

Total Match = 1 point

Halves = .5 points each

How to Qualifying

Qualifying rules are:

- Anyone who is a **member** at SG&CC can qualify.
- A player can put up to two qualifying scores in each week.
- Before the round the scorecard needs to be signed by a staff member of the proshop with a date.
- The round has to be played with another player.
- Qualifying rounds are to be played from the blue tees (Mundie Putter played from the blue tees). If there are no blue tees out for that week, play from the white tees.
- No "Mulligans" or "Gimmes" **Putt everything out!!** Also play by the rules of golf.
- Once Round is complete have playing partner sign the scorecard along with your own signature and drop it off in the Mundie Putter box in the Men's Locker Room.
- Qualifying Rounds take place from Sunday until Saturday. After Saturday I will collect all the score cards.

Making the Team

There are 8 spots on the team. Each week the best 5 qualifying scores will make the team. The Club Champion is exempt. The team captain will pick the final two spots. Make sure you attempt to qualify; lack of effort may result in not getting a captain's pick. Most importantly, Have Fun!

Thanks,

2014 Season Captain: Ryan Coffin
