RESTAURANT GUIDE

#saveMBrestaurants

The restaurant industry, like so many others, is struggling through this pandemic. Many restaurants and food service establishments have been heavily restricted and effectively shut down. Some have already closed their doors for good, and many more are facing a difficult winter ahead.

One of the ways you can help is by purchasing copies of **The Dine Manitoba Restaurant Guide**, a coupon book with discounts and promotions valued over \$2000 in savings at more than 45 local restaurants. The goal of **Dine Manitoba** is to drive traffic back to restaurants for take out and, when it is safe to do so again, dine in.
