## **SGCC 2022 GOLF CART PROGRAM**

The original intent of the cart program offered to members was to allow members to utilize a seat on power cart during their rounds without the hassle or need of maintenance, bringing gas containers to the course, paying cart compound or trail fees. The benefit to the club was it allowed us to increase our fleet to accommodate larger tournaments and not incur the rental cost of bringing in golf carts for those events and to provide additional space in the compound.

The intent was always to have two riders on the cart. With the onset of covid and public health orders we did need to accommodate single riders but going forward unless there is a public health order in place we will no longer allow single riders. If a member chooses to ride alone, they can use two of their cart passes (see 2022 program below) or pay \$10 additionally for the vacated seat.

Over the years there have been some very interesting situations that have come to the attention of the Board of Directors. One such situation is members who golf together "sharing" the annual cart by splitting the fee amongst themselves. The other is spousal members riding for free on the cart with a paid annual cart member. The last one situation is excessive use of the program, we have had members utilize carts for well over 120 rounds per season. When we do an analysis of the cost for a cart per round (lease costs, maintenance, gas, cleaning etc.) we come up with a \$10 per seat value. We as a board need to take ownership in the allowing of the unintentional circumvention of the program and not addressing it sooner.

### **2022 Annual Cart Program**

Unlimited Seat Pass \$1200.00

#### **Spousal Pricing - Can take cart on their own if Spousal Member has Annual Cart**
