

1. Do I need to bring my own clubs?
 - Yes. We do not have rental clubs available at this time
2. What kind of clothes/shoes should I wear?
 - In terms of footwear, we advise all guests to bring either athletic shoes or spikeless golf shoes that are clean. We would prefer that guests refrain from bringing spiked footwear (i.e.: golf shoes with soft spikes), as unfortunately spikes cause damage to the artificial grass over time.
 - As for clothing, comfort is key! Casual athletic attire or golf clothing are acceptable.
3. What food/drink options are available at Selkirk Sim Hut?
 - We will have our usual selection of alcoholic and non-alcoholic beverages available.
 - As per MBLL regulations, only alcohol purchased onsite can be consumed
 - No outside food or drink
 - Our restaurant will be open during all Sim Hut hours offering a selection of “pub style” food. [View Menu](#)
4. How much does it cost?
 - Rates are hourly/bay for up to 4 people and range in price based on time of day. [View Rates](#)
5. Do you allow private party or corporate bookings?
 - We sure do! Please contact us at simhut@selkirkgolfcourse.com for pricing and availability, we'd love to host your next event.
6. What technology does the Selkirk Sim Hut use?
 - We use technology from Foresight Sports in our simulator bays. The Foresight Falcon is a ceiling mounted launch monitor that delivers more than a dozen points of club and ball performance data with each shot (depending on mode used). Foresight sports is the industry leader in indoor golf launch monitor technology.
7. How long does it take to play a round of simulator golf?
 - As a rule of thumb, for your first visit, it's advisable to book 60 minutes of bay time per person playing for 18 holes. As you become more familiar with the technology and experience, you can adjust up or down as necessary. Many factors will contribute to the length of your round, skill of players, putting out vs. auto putt, mulligans or format of play (individual stroke play vs. Texas scramble).
8. Can I just use the range and not play a round of golf?
 - You sure can! Our bays can be booked in 60-minute increments and our software (FSX Play and GSPro) has many different challenge modes available that allow you to work on all aspects of your game.
9. How many days in advance can I book?
 - We allow bookings to be made 7 days in advance. [Online Booking](#)
